The best way to receive one of these rosaries would be to attend the nightly rosary during the Ottava. Details above on dates and times.

If you are unable to attend, you may reach out to any of the Board Members and we will make sure you receive one.

A Word on our Ottava

Every year, our celebration begins with the “Ottava” or “Octave.” It is essentially the same as a Novena; only that it is 8 days instead of 9.

This year we have created prayer booklets so that each attendee can follow along and recite the respective prayers together.

We have produced English and Italian versions. PLEASE NOTE that if we have anyone that is only English speaking come, we will be reciting the primary prayers of the Octave in English. If all the attendees are Italian speaking, then we can use the Italian booklets.

The reason for this is that with our Italian speaking population dwindling we want to make sure that we adopt accordingly to our changing membership.
